Glynn County criminal investigators have arrested James Calhoun for the 1993 murder of his girlfriend, Janey Day. Calhoun was arrested today at approximately 4 p.m. by the Jacksonville Sheriff's Office.

On July 31, 1993 a friend of Janey Day filed a missing persons report stating she had not seen or heard from Janey in a week which was very unusual. On October 15, 1993 a Glynn County criminal investigator located a shallow grave in a heavily wooded area across the street from Janey Day's residence located at 752 Old Jesup Road. At the time, James Calhoun lived at the residence with Day. Janey was 34 years old at the time of her death. Due to the advanced stage of decomposition, the cause of death could not be determined.

If anyone has information concerning this crime, please call Inv. Mike Owens at 554-7837.
